My dear Sir:

Pursuant to your request of December 15, 1956 for authority to transfer the Government Printing Office-State Service Office to the Central Intelligence Agency, this is to advise you that the Joint Committee on Printing approves that action.

You are further advised that this approval is contingent upon the complete observance of all the conditions set forth and agreed to, respectively, in your letter of November 19, 1956 to the Public Printer and his reply of December 5, 1956.

The Joint Committee on Printing requests that it be kept advised concerning the steps involving the transfer, as well as its final consummation.

Very truly yours,

Carl Hayden
